GSV Care Descriptions.(Geriatric Surgery Verification Sites)	This is only for sites that have achieved GSV accreditation (any level)

The following types of care settings are **NOT** currently eligible for recognition. We encourage you to remain engaged in the Age-Friendly Health Systems movement through webinars and newsletters. Although you are not eligible for recognition, you may also participate in the Action Communities, the Open School Course, and the Online Course with Coaching. Our team is working to creating pathways for different care settings to receive recognition. If you have any questions regarding this, please contact our team by e-mail at AFHS@ihi.org.

- Mobile Health
- Physical Therapy
- Occupational Therapy
