Project Manager

# Agenda

---

- Overview of the Institute for Healthcare Improvement
- Program Overview
- Expectations
- Questions

# Improving Care Improving Lives with You

[ihi.org](http://ihi.org)

# IHI Mission

To improve health and health care worldwide

---

# IHI Vision

Everyone has the best care and health possible

# Since 1991

---

In large systems and small villages, we have taken improvement methods originally used in the manufacturing industry and applied them to improving all aspects of health and health care.

---

We build improvement capability by providing people with methods and tools to make care better.

# What IHI Believes

---

That health and health care can and **must be better**.

---

There can be no quality without **equity**.

---

Improvement science and methods drive **results**.

Courage

Love

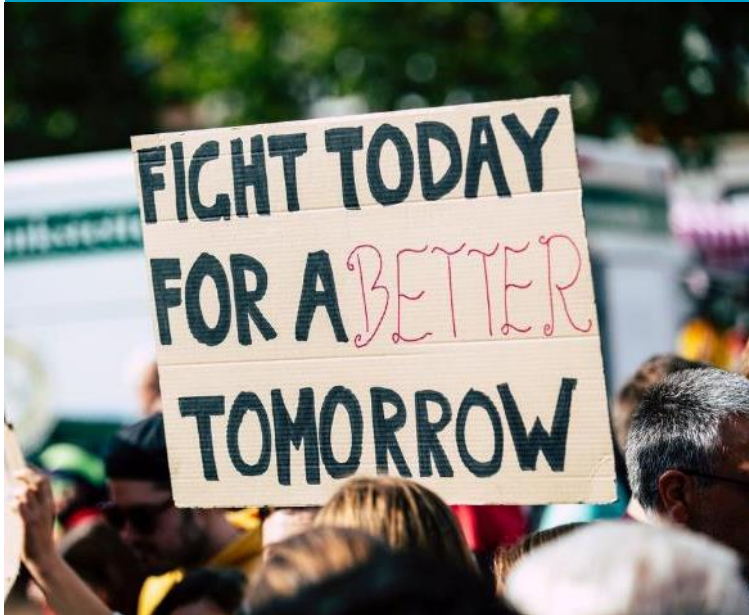

Equity

Trust

# IHI's Strategy Is Focused on Improving:

Equity

Safety & Effectiveness

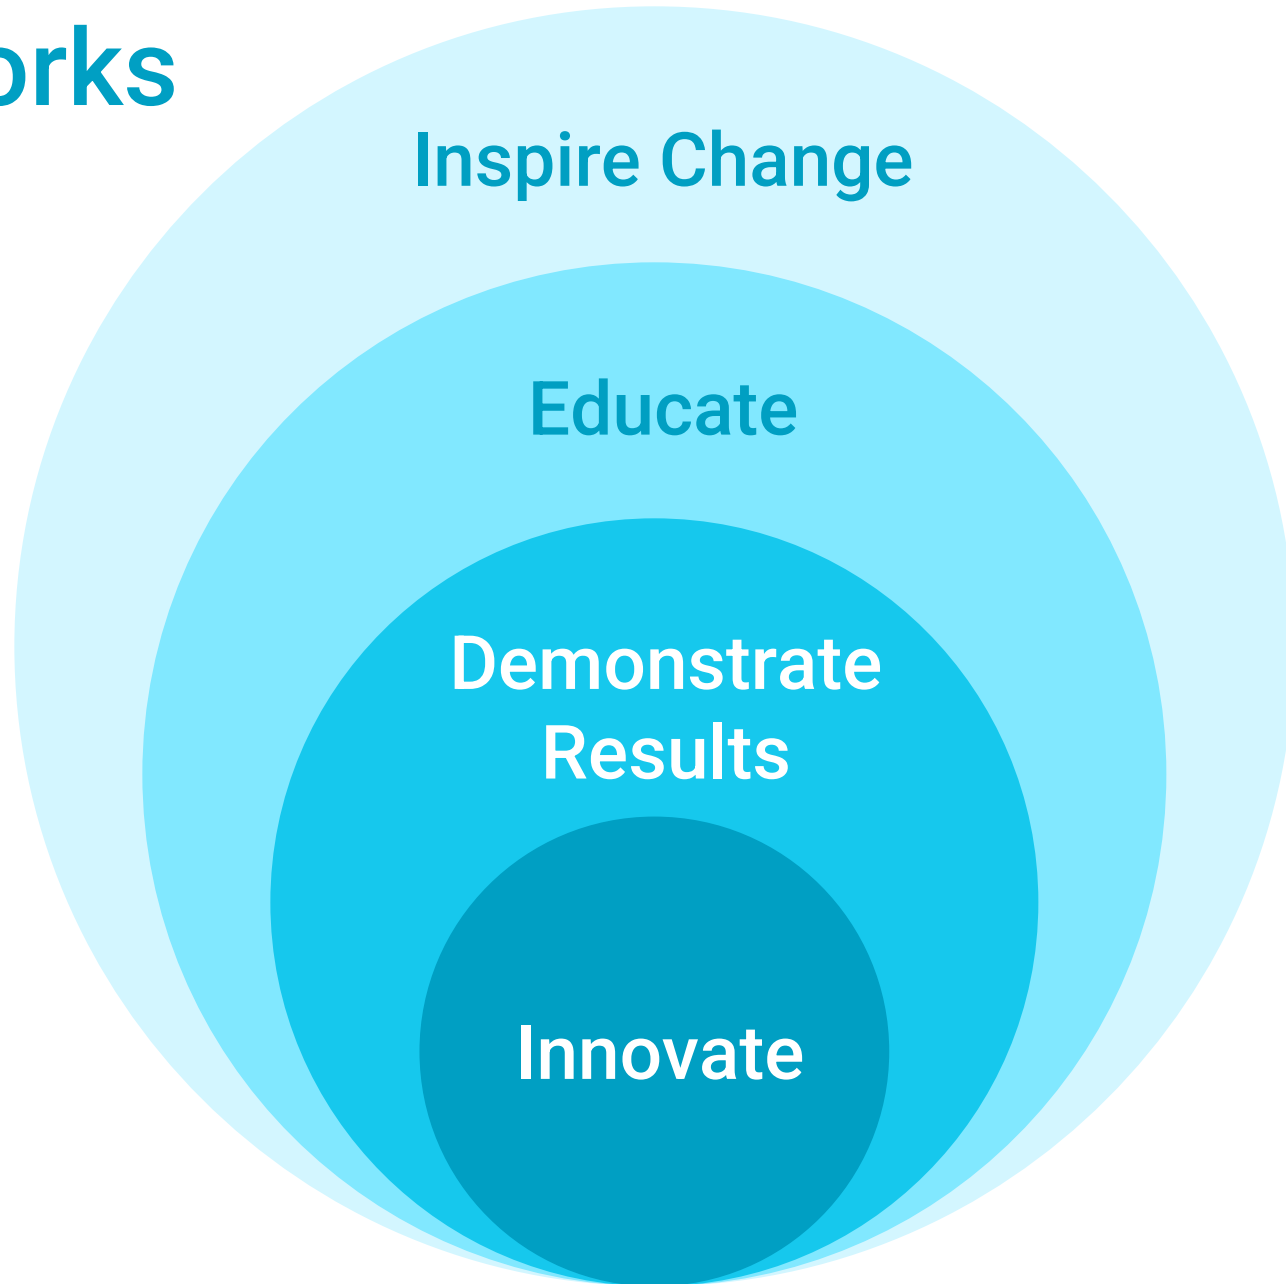

System Resilience

# How IHI Works

---

## Let's Hear from You

- What are you hoping to get out of this program?
- What would make a course like this most valuable to you?

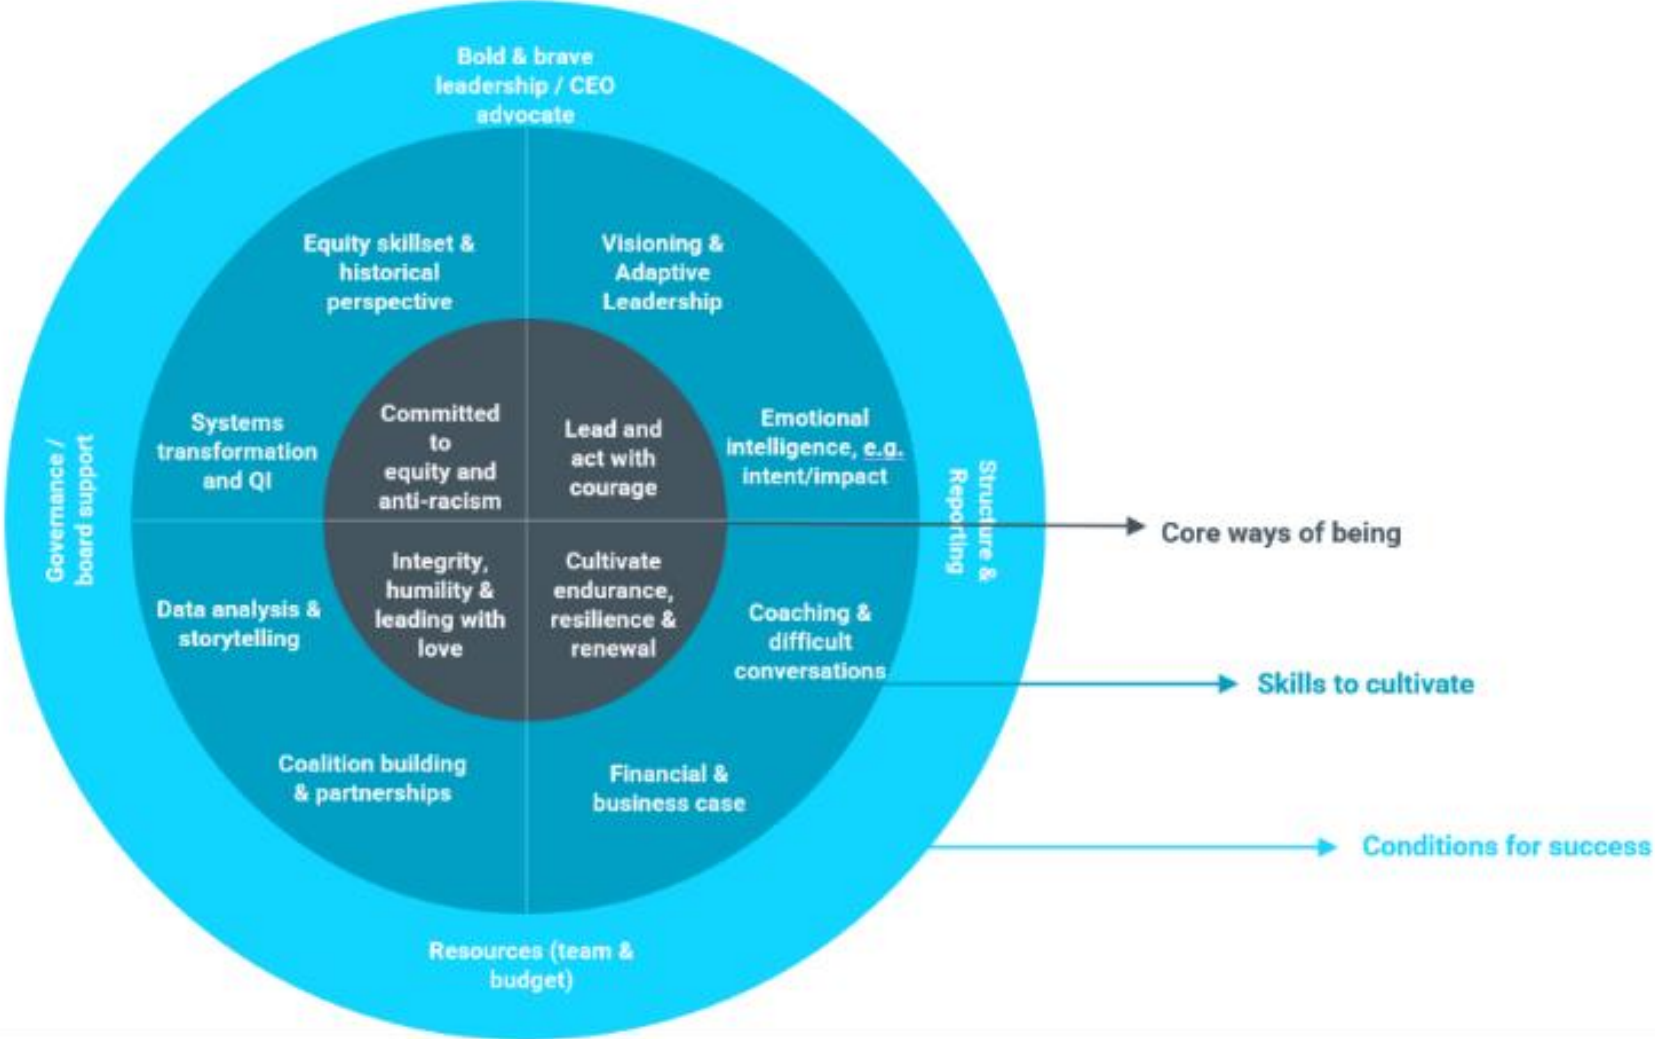

# Program Overview

# Why Now? Why IHI?

- How did we develop this framework?
- Why is this content important for leaders?

# IHI's Framework for Health Equity Leaders

# Program Objectives

---

- Create an effective evaluation strategy
- Examine your organization's opportunities for improvement and advocate for the conditions that will set you up for success
- Develop a leadership plan committed to equity and anti-racism
- Apply strategies to address social determinants of health, and identify healthcare inequities  
Create a business case and complementary communication strategy to generate buy-in
- Learn what a trauma-informed approach leading to healing is and know how to apply it
