

September 2025 Patient Safety Executive Development Program

This program consists of **seven** live online sessions, **one** in-person session, and self-paced activities to be completed outside of the live sessions. Self-paced activities between sessions are required and should take no longer than 90 minutes complete.

To receive credit for completing your IHI program and, if applicable, become eligible for continuing education credit, you must:

- Attend and participate in all in-person and live online sessions.
- Complete any required self-paced learning activities.
- Complete any required coursework, such as online submissions or presentations.
- Submit the post-program evaluation survey within 30 days of the program end date.
